

SEND Meetings at Torre

The diagram below shows how we schedule meetings throughout the academic year to support your child's learning and development. Your child's teacher will update you every half term with a focus on your child's individual needs, as outlined in their Individual Support Plan (ISP). Three of these meetings are face to face and three will be emails of your child's ISP. These will replace Parents Evening's in the autumn and spring term. They provide you an opportunity to review progress, discuss strategies, and plan next steps to ensure your child receives the right support and guidance.

JULY

Teachers will write new ISP targets for Autumn Term 1, based on each child's needs and previous progress. The class teacher will know your child really well and will prepare their next teacher.

1

SEPTEMBER

Parents will be invited to a face-to-face meeting with the new teacher. During this meeting, Autumn Term 1 ISP targets will be shared, and there will be an opportunity to discuss how your child is settling in.

2

NOVEMBER

Parents will receive an email containing updated ISP targets for Autumn Term 2. These will reflect your child's progress and next steps for learning.

3

JANUARY

There will be another face-to-face ISP meeting with teachers to review progress and share new targets for Spring Term 1.

4

FEBRUARY

Parents will receive the Spring Term 2 ISP targets via email. These targets will build on the learning from earlier in the term.

5

APRIL

Teachers will meet with parents again in person to share ISP targets for Summer Term 1 and discuss any updates or changes.

6

JUNE

Parents will receive the final set of ISP targets for Summer Term 2 by email, completing the yearly cycle.
