Before School Club and After School Club Fees

Statement of intent

We aim to ensure that we offer our services to all sections of our community, regardless of their socio-economic background. A proportion of childcare costs can be claimed back as part of a families working tax credit. Childcare vouchers will also be accepted where appropriate. The charges have been calculated to be non-profit making.

After School Club is not available for children in Tiny Torre Nursery.

Methods

In order to achieve this aim, our 'wrap-around care' operates the following policy:

- We plan to open our doors for the full 38-week academic year for five sessions per week for both the Before School Club and After School Club.
Before School Club will begin at 8.00am and end at 8.45am.
After School Club will begin at 3.15pm and end at 6.00pm.
Children can be picked up earlier than 6.00pm; however, no refund can be given.
- We set our fees according to the community's demands, taking into account the setting's costs.
- Sessions for Before School Club and After School Club are booked and paid for online in advance via SchoolMoney. The deadline for booking is midnight on the previous day.

Sessional costs

- Each Before School Club session will cost £2.
- Each After School Club session will cost £8.50.
 - Two or more children of the same family - £1 reduction per child.
 - 50p daily reduction if booking for whole week
- If sufficient places have not been booked to maintain the financial viability of the setting, we reserve the right to close Before School Club and after school club until the beginning of the following term.

Children collected late from After School Club session - costs

Where a child is collected late, after the agreed session ends, there will be a fee payable. This fee is to cover the costs of two staff remaining to care for your child and utilities costs. This cost is calculated to be £5.00 per 15mins late or part thereof.

Late payment

- The financial viability of the Before School Club or After School Club depends on payment upfront for sessions.
- If a child is sent in for Before School Club or left to stay in After School Club where a booking and payment has not been made in advance, you will be contacted immediately and we will have to refuse your child entry to future sessions.

Form Completion

- Parents / carers will be asked to complete all the necessary forms and consents when registering their child / children with the setting.
- Parents / carers must not knowingly book their child into a session they will not then attend.
- Sessions should be booked in advance using the online booking and payment facility on SchoolMoney by midnight of the day before the required session. This will ensure that appropriate staffing levels can be managed and that the Before School Club and After School Club remain financially viable.

Absences

- We cannot refund sessions a child has missed due to a parent / carer making other arrangements to have the child collected from school, illness or holidays.
- When a session is booked, it is held open for that child whether or not they then attend.

Extra-curricular clubs

If your child attends an extra-curricular club after school and childcare is required once the club has finished, a place at After School Club will need to be booked and paid for online on SchoolMoney as above. The member of staff organising the club will send (or accompany if appropriate) the child on to After School Club when the extra-curricular club has finished.

Booster Groups and Siblings

The Before School Club staff will hold a register of all pupils who are needed in before school to take part in a booster group. They will tick off each child as they come in through the front entrance.

Siblings of children required in for a Booster Group will be added to the Before School Club register by hand on a day by day basis and this place will be free of charge.

Ethos and Behaviour Policy

The school Ethos and Behaviour Policy will be followed in Before School Club and After School Club.

Parents will be informed if their child has misbehaved during the session.

Repeated poor behaviour from a child will result in the provision being withdrawn by the Headteacher.

Complaints

The normal school complaint procedure applies to Before School Club and After School Club.

Details are available on the school website.

Health and Safety

Before School Club and After School Club always has a paediatric trained first-aider on duty.

Treatment will only be given for minor injuries. In the case of more serious injury, the parents will be informed, and the child taken to hospital.

Procedure:

- Phone the parent/carer
- Call an ambulance
- One member of staff to go with the ambulance, unless the parent has arrived
- Should an ambulance not be available, the school will fulfil its duty of care and take the child to hospital. Any member of staff on the premises will be asked to accompany the member of staff or stay at school if deemed more appropriate.

Children should have inhalers or other emergency medical equipment, during their time at After School Club.

It is unlikely that medicines will need to be given during the time at After School Club. However, the normal school medicine procedures apply.

Late Collection Policy:

In situations of late collection of children, the following procedure will apply if no contact has been made:

- After 5 minutes (i.e. by 6.05 pm), all contact phone numbers will be rung, including the emergency contact number.
- Messages will be left where possible, asking for contact to be made.
- After a further 25 minutes (i.e. by 6.30 pm), the numbers will be rung once more, and if no contact is made, the safeguarding lead will contact the police and children's services for further advice
- The staff have the responsibility of reporting any suspected child protection issues to the Safeguarding Hub.
